Assessment Results

Socrative Training

Assess Learning using real time formative assessments (verbal, no prep questioning)

- Select the type of question (Multiple choice, true/false, short answer)
- Ask question aloud
- Students respond
- Click End Activity
- View results and ask another question

*You will not receive assessment results. This is a learning snapshot.

Administer an Exit Ticket (no prep)

- Click Exit Ticket
- Students follow prompts
- End Activity when it shows all users as completed
- Download or email results in an Excel file

Prepare a Quiz

- Select Manage Quizzes
- Click Create a Quiz
- Give quiz a name
- Add Questions

Use Quiz Template

- Open <http://t.socrative.com> on a PC
- Click Manage Quizzes
- Click Import Quiz
- Right click on Socrative Quiz Template and save to your H:/ Drive
- Open the template Excel file
- Copy and paste questions and answers or create Q and A.
- Save file and close
- Return to <http://t.socrative.com>
- Select Manage Quizzes
- Import Quiz
- Browse to find the file
- Import Quiz

Administer a Quiz

- Select Start Quiz
- Select a Saved Quiz
- Choose Teacher or Student paced quiz
- Click the Checkbox to Randomize Answer Choices or Disable Immediate Feedback

*Advanced Quiz Options are only available on a computer

Administer a Space Race Game

- Click Space Race
- Select a saved quiz
- Auto-assign team colors (or assign yourself)
- Next
- Start Space Race

View Assessment Reports

- After completing a quiz, you will be prompted to download or email the results
- To access a report at a later time, click manage quizzes and select the quiz under *Retrieve a Previous Quiz Report*
